“ . . . But to cut out words or passages from a letter without reference to the writer may lead to dangerous interpretations or interpretations not intended by the writer. . . . My letters are all thought out and conceived as one piece. They contain mostly ethical matters. The removal of a word may change the meaning. I should not like my letters to be interfered with without my knowledge. . . . / I wish you could grant relief in this matter by no means trivial to me.”

MKG, January 16, 1933; CWMG-Vol.-053-LIII-p.61.

“It was after much thought that I declared a trust in connection with my writings. . . . I preserved fully the idea lying behind dislike for copyright, i.e., for personal gain for one’s writings. The idea also was to prevent profiteering by publishers or distortion or misrepresentation, wilful or unintentional. . . .”

MKG, July 5, 1944; CWMG-Vol.-077-LXXVII-p.353.

The Collected Works of Mahatma Gandhi (English series) is a monumental document of Gandhiji's words as he spoke and wrote, day after day, year after year, beginning with the year 1884 till his assassination on January 30, 1948. In this series his writings, scattered all over the world, have been collected and constructed with stringent academic discipline and with an ethical sense of loyalty.

The Collected Works of Mahatma Gandhi (English series) (CWMG-original-KS-Eng-edition, called so after Prof. K. Swaminathan, the chief architect of the original series, who had led uniquely qualified team of editors) had taken about 38 years in the making (1956-1994). They are a series of one hundred volumes, intricately connected across the series, as an integrated whole. The CWMG-original-KS-Eng-edition volumes were published by the Publications Division, Ministry of Information & Broadcasting, Government of India in the years 1956 to 1994. The exercise was directed by the CWMG Advisory Board of the Gandhi veterans closely connected with him. Some details in this respect can be viewed in volumes I, XC, XCVIII, XCIX, C, and the standard edition table.

The Electronic Master Copy as reproduced from the scanned images of the CWMG-original-KS-Eng-edition (Volumes I to C – 1 to 100) (1956-1994) is in the form of refined (finished) electronic images, matched with the original-KS-edition, word by word, verified with the original source-documents where necessary. This will now form the basis for all future printing, as impressions of the images thereof.

The Electronic Master Copy of the CWMG-original-KS-Eng-edition retains the original architecture – volume structure, font structure, line structure, page structure – including its visual look – fully and loyally. The Master Copy of the CWMG-original-KS-Eng-edition retains the original editorial edifice and content entirely and loyally.

The reproduction from the CWMG-original-KS-edition for volumes from I to XCIII-Supplementary III, and for volumes XCVIII-Index of Subjects and XCIX-Index of Persons has been done from the respective editions as printed at the Navajivan Press (Mudranalaya), Ahmedabad, India. The reproduction from the CWMG-original-KS-edition for volumes from XCIV-Supplementary IV to XCVII- Supplementary VII has been done from the respective editions as printed at different Printers from Delhi, India. The details of editions used for reproduction for individual volumes can be seen in a table given on pages 9 to 15 of this user document.

The original manually prepared indexes – appearing at the end of each volume, and in the two volumes, of Subjects and of Persons – as appearing in the CWMG-original-KS-Eng-edition – give varied, numerous and logical profiles of Gandhiji's life and thought, action and engagements. Also, the Prefaces, as written for respective volumes when published, take us on an epic journey through his life and the nation in the making. Together, these navigators guide us far and wide and into the depths where computer technology may not lead us.

In the Volume C (100), texts of the individual Prefaces, as written for each volume as and when they were published, have been picked and strung together to avoid any error of reproduction. Also, the Forewords that appear in volumes I (001), XC (090), XCVIII (098), XCIX (099) and C (100) (1994-Ed.) have been repeated here to give an overview and a perspective of the effort that took place in the years 1956 to 1994.

The task of preparing the Electronic Master Copy of the CWMG-original-KS-Eng-1956-1994-edition has been accomplished by the Gujarat Vidyapith (university founded by Mahatma Gandhi in 1920 as part of non-co-operation movement and for holistic education to help win swaraj), Ahmedabad, India, through a specially set up CWMG Cell in its premises.

Execution of the task involved an intensely focused, organic, and stringently supervised effort over a period of more than five years. A lot of research, customization, and innovation have gone into the process. The research and trials had started in the years 2006-07; the real work had started in the years 2009-10.

The preparation of the Archival Electronic Master Copy of the CWMG-original-KS-Eng-1956-1994-edition was accomplished in the year 2015. The same is in the following forms for every page of the full series of hundred volumes: (a) Cluster of *archival-source-images* and the *corresponding black-&-white images*; (b) *Finished-digital-image-PDFs* with *searchable text* as hidden layer in the backend; (c) *Finished-digital image-PDFs* as print-ready static, non-editable images organized in suitable folders for jacket cluster, including photographs, maps, etc. and the text from cover-to-cover, so as to facilitate all-time printing as an ongoing process; (d) The above data suitably reduced for web-display; (e) The entire record including the work record for all-time archivation.

The above work was first presented to the Government of India in March 2015. The BETA version of the Electronic Master Copy of the *digital-searchable image-PDFs* for the full series of hundred volumes was dedicated to the people of the world on September 8, 2015, in two forms: i. DVD SET / PEN-DRIVE; ii. Downloadable form – in volume-wise manner – on the Gandhi Heritage Portal hosted by the Sabarmati Ashram Preservation and Memorial Trust (SAPMT). A full, unbroken set of the hundred volumes of the CWMG-original-KS-Eng-edition-1956-1994 has been reprinted by the Publications Division, GoI, New Delhi from the Electronic Master Copy thus prepared at the CWMG Cell set up at the Gujarat Vidyapith, and has been rededicated to the people of the world in June 2017.

The Gujarat Vidyapith, Ahmedabad, through the CWMG Cell specially set up at its premises, has performed the specific task of preparing such archival electronic record on behalf of the Publications Division, Ministry of Information & Broadcasting, Government of India, New Delhi, with the permission of the Navajivan Trust, Ahmedabad.
